INFORMATION CIRCULAR

To: Members of the staff at Headquarters

From: Director of Personnel

Subject: REVISED SALARY SCALES FOR STAFF IN THE GENERAL SERVICE, SECURITY SERVICE, TRADES AND CRAFTS, PUBLIC INFORMATION ASSISTANT AND LANGUAGE TEACHER CATEGORIES AT HEADQUARTERS*

1. The current procedure for effecting interim adjustments of the salary scales for staff in the General Service and related categories at Headquarters calls for an adjustment in the net salaries of such staff by 100 per cent of the movement of the consumer price index (CPI) for New York, whenever the CPI has increased by 5 per cent or more over the level reached at the time of the previous revision of the salary scale, or every 12 months, whichever comes first.

2. The CPI for the month of August 1993 reflects a 3.0 per cent movement over the August 1992 index. In application of the above-mentioned procedure, the net salaries of staff in the General Service, Security Service, Trades and Crafts, Public Information Assistant and Language Teacher categories will be adjusted upwards by 3.0 per cent, with effect from 1 September 1993.

3. In the light of the critical financial situation confronting the United Nations at the present time, however, implementation of the revised salary scales will have to be deferred. Staff were apprised of this situation in information circular ST/IC/1993/48 of 3 September 1993. Implementation of the revised salary scales, retroactive to 1 September 1993, will be effected as soon as the financial situation of the Organization allows.

4. As indicated in information circular ST/IC/1992/56 dated 24 September 1992, the General Assembly at its forty-sixth session approved, with effect from 1 January 1992, a revised scale of staff assessment rates for the General Service and related categories. Gross salaries established effective

* Personnel Manual index No. 3120.

1 September 1992 reflected the application of those revised rates. For certain levels and steps of the salary scales for the above-mentioned categories, gross salaries then yielded lower amounts than the corresponding previous gross salaries effective 1 September 1991. In line with the modalities approved by the General Assembly with respect to the implementation of the revised rates of staff assessment, at those levels and steps where the revised gross salaries were lower than those under the previous salary scale effective 1 September 1991, the latter gross salaries were retained for the purpose of computing pension contributions and benefits for those staff members who entered on duty prior to 1 September 1992. This transitional measure was to remain in effect until the retained gross salaries were overtaken as a result of subsequent revisions to the salary scales.

5. Following the application of a 3.0 per cent increase in net salaries and except for certain levels and steps in the Security Service category, the revised gross salaries, effective 1 September 1993, are now higher than the corresponding gross salaries retained in 1992. The transitional measure shall, therefore, continue to apply only to the Security Service category with respect to those levels and steps, for staff on board prior to 1 September 1992. However, for the purpose of computing separation payments, the revised gross salaries effective 1 September 1993 shall apply to all staff members concerned.

6. Pursuant to the procedure approved by the International Civil Service Commission at its fifteenth session, which is described in information circular ST/IC/82/48 of 1 July 1982, the dependent child allowance for staff in the General Service and related categories at Headquarters is hereby revised from $1,140 to $1,176 net per year, with effect from 1 September 1993. The latter amount represents 3 per cent of the average of the lowest and highest net salaries under the New York salary scale (G-1, step I and S-7, step IX).

7. The amounts of the dependent spouse allowance, of the allowance for the first dependent child of a single, widowed or divorced staff member, and of the secondary dependant's allowance and language allowance, remain unchanged.

8. The revised salary scales are provided in the annex to the present circular.

INFORMATION CIRCULAR

To: Members of the staff

From: The Director of Personnel

Subject: INTRODUCTION OF A NEW PERSONNEL ACTION NOTIFICATION FORM IN CONNECTION WITH THE IMPLEMENTATION OF IMIS RELEASE I AT HEADQUARTERS

1. A first release of the Integrated Management Information System (IMIS) will become operational on 24 September 1993. The objectives of the IMIS project are to provide management with a comprehensive, timely and accurate view of the United Nations assets and liabilities, to facilitate the work of those responsible for administering staff and funds and to provide the Organization with the capacity to handle an increasing administrative workload while containing costs, simplifying procedures, improving information flow and reducing delays. As of 24 September 1993, all the personnel actions for staff members occupying established posts and temporary posts, excluding general temporary assistance and temporary assistance for meeting posts, will be processed by Executive Offices, the Staff Administration and Monitoring Service, Office of Human Resources Management (OHRM), and the Field Operations Division through IMIS.

2. The purpose of this circular is to inform the staff that a new IMIS-generated form, designated Personnel Action Notification IMIS.01 (9-93), will eventually replace, for administrative purposes, the Personnel Action (P.5) form that is currently used. The new form will be in five copies, as indicated in the legend on each page. A sample of the form appears in the annex to the present circular. The new form will reflect the personnel transactions performed in IMIS. It is designed to display relevant information in blocks, such as "Appointment"; "Nationality/Visa status"; "Post incumbency"; "Dependants' information"; "Leave status" and "End of service". Only the block(s) with new or changed data will be displayed. Any data existing before the corresponding personnel action (PA) will also appear next to the new or modified data in the same block or blocks displayed to provide the necessary comparison to the staff member. As the IMIS system will not determine, for the time being, the entitlements of staff members, the last page of the form will initially be incorporated manually, whenever applicable.

3. The system will generate automatically, on the first page of the form, the "header" information, which will include the staff member's name and index number; the PA type and number; the effective date of the PA, dates of the approval, request and processing of the PA; the approving officer; remarks; and the duty station. Only part of the "header" information, i.e. the staff member's name and index number, and the PA type and number, will be repeated on each of the following pages, if any.

4. IMIS contains data converted from other electronic data files. Not all the information required in IMIS may have been available upon conversion. It is therefore extremely important that during this transitional period staff members review carefully their copies of the form to make sure that all the data fields are reflected accurately. If a staff member considers that a discrepancy exists, he or she should immediately bring the matter to the attention of either the Personnel Officer or the Executive Officer concerned, who will then take the necessary action to address the matter.

5. A copy of the Personnel Record, which will replace the current "fact sheet", will be given to all staff members maintained in IMIS in due course, for further review and verification.

6. Staff members who wish to familiarize themselves with the scope and functions of IMIS may attend the projections of two video tapes, "IMIS Overview" (30 min.) and "Release I Business System Overview" (30 min.), which will be held at 1.45 p.m. and 2.15 p.m. every Tuesday and Thursday, respectively, in Room DC2-1820. In view of the limited number of seats available, staff members are requested to call Ext. 3-1931 in advance to reserve a seat.

ST/IC/1993/54
23 September 1993

INFORMATION CIRCULAR

To: Members of delegations and the staff at Headquarters

From: The Director, Office of General Services

Subject: ACCESS TO PREMISES DURING CLOSURE OF FIRST AVENUE

1. The purpose of the present circular is to advise members of delegations and the staff at Headquarters that the New York City Police Department has informed the Secretariat that it will close that section of First Avenue in front of the United Nations for a period of time on Monday, 27 September 1993 to accommodate motorcades of dignitaries. Such closing may also be necessary on short notice on other days during the forty-eighth session of the General Assembly. To the extent possible, efforts will be made to inform members of delegations and the staff, in advance, of planned closing of First Avenue.

2. Arrangements have been made with police authorities to permit members of delegations, members of the staff and affiliates, upon presentation of their grounds passes, to cross the avenue at either 42nd, 45th or 48th Streets. The crossing point at 45th Street will be particularly congested and it is therefore recommended that all pedestrians use the other two crossings. Furthermore, First Avenue will be closed to all pedestrian crossing between 9 a.m. and 10 a.m. During this time, the only entry point to the premises will be through the 48th Street entrance to the garage. Therefore, members of delegations, staff members and affiliates are strongly urged to arrive before 9 a.m. It may also become necessary to close the three street crossing points temporarily at various times throughout the day. United Nations security officers will be posted at those check-points to assist the police in identifying members of delegations and United Nations staff. All concerned are reminded that they should have their identification passes with them at all times.

3. The present circular should be read in conjunction with circular ST/IC/1993/50 dated 10 September 1993 on arrangements for admission to the premises, parking, traffic, deliveries, catering facilities and commercial operations for the forty-eighth session of the General Assembly.
